Dear Sir/Madam

Longstanton Road Works – Closure Notice

I wish to advise you that as part of the Northstowe Phase 2 development works John Sisk and Son will close a section of Longstanton Road, known locally as the 'Airfield Road' from 21st May 2018.

We require the closure to allow us to undertake our construction works safely and have obtained a Temporary Traffic Regulation Order from the County Council. This will involve a full closure to vehicles. We will install 'Road closed ahead' and 'No through route to Longstanton/Oakington' signs as shown on the attached plan. The road will be physically blocked at the extents of our works using concrete barriers and temporary turning heads will be provided. We will, however, endeavour to maintain access for Pedestrians, Cyclists and Equestrians for as long as reasonably practicable and where it is safe to do so. In the event that a closure for Pedestrians, Cyclists and Equestrians is required signage will be erected in advance of the works commencing.

I apologise in advance for any inconvenience caused during these works and should you require any further information, or have any queries about the enclosed, please do not hesitate to contact our communications team on the above telephone number. Alternatively the next Public Forum Meeting is due to be held on 16th May 2018, where a representative from John Sisk and Son Ltd. will be present to discuss the plans in more detail.

Yours faithfully,

A handwritten signature in black ink, appearing to read "ncl", is written over a light blue horizontal line.
